### A. Program Description

#### A.1. Purpose of AmeriCorps Seniors Foster Grandparent Program Funding

For all AmeriCorps Seniors Foster Grandparent Program renewal and continuation applications – see Sections A1. – A4.

AmeriCorps Seniors, one of the oldest programs in national service, empowers seniors to serve in their communities through dedicated grantmaking within the federal agency of AmeriCorps. For more than five decades, volunteers aged 55 and older have been serving their communities through AmeriCorps Seniors' three signature programs – Foster Grandparent Program, RSVP, and Senior Companion Program – that allow volunteers to take their commitment, to both country and community, and apply it to our nation's most pressing challenges.

Foster Grandparent Program, established in 1965, is an intergenerational program that engages volunteers aged 55 and older in national service to provide one-on-one mentoring, tutoring, and social-emotional support to children with special or exceptional needs, or who have an academic, social, or financial disadvantage. AmeriCorps Seniors volunteers serve an average of 20 hours per week in schools, early education centers, hospitals, juvenile correctional institutions, or childcare centers. Among other activities, they tutor children in areas where they need additional support or social-emotional development and teach parenting skills to new parents. AmeriCorps Seniors volunteers commit to an ongoing relationship with the children serving for an academic year or longer.

#### A.2. Funding Priorities

Incumbent projects that currently receive an AmeriCorps Seniors' Foster Grandparent Program grant are invited to submit applications for the AmeriCorps Seniors' Foster Grandparent Program grant sponsored by their organization. Incumbents are invited to apply for grant renewal or continuation based on the determination that your project is continuing to meet the eligibility criteria as detailed in this document.

AmeriCorps Seniors funding priorities for this grant cycle are:

- to serving more communities that have faced historical inequities and the organizations that have support those communities, such as, programs and organizations that are led by Black, Indigenous, and People of Color (BIPOC) and that actively address the impacts of structural and institutional inequities, advance racial equity, and increase opportunities in order to achieve sustainable change in communities. Grant applicants are also encouraged to include work plans that advance justice and equity in areas such as Healthy Futures.
- AmeriCorps Seniors encourages applicants to focus on efforts to help local communities respond to and recover from the COVID-19 pandemic. Applicants may propose services or resources that contribute to improved educational outcomes for economically disadvantaged children and for children with special and/or exceptional need. Activities specific to recovery from the COVID-19 pandemic include addressing learning loss as a result of school closures or difficulties with remote learning.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

### **A.3. Performance Goals or Expected Outcomes**

#### **National Performance Measures**

AmeriCorps expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

Applicants are required to use the specific performance measures outlined in this Notice. For more information, please refer to the National Performance Measures Instructions at [http://americorps.gov/sites/default/files/document/FY22%20FGP%20Appendix%20B.%20Performance%20Measures%20-%20508%20ASC\\_0.pdf](http://americorps.gov/sites/default/files/document/FY22%20FGP%20Appendix%20B.%20Performance%20Measures%20-%20508%20ASC_0.pdf).

Applicants must identify a Primary Focus Area. Work plans must include at least one service activity in the selected Primary Focus Area. The Primary Focus Area should represent the area in which the incumbent aims to make the most impact.

All proposed volunteers and the intended impact of their service must be represented in the narratives, in a Performance Measure and the budget.

This funding opportunity requires applicants to demonstrate cost-effective practices in achieving performance goals through the services described in the proposed work plans. Applications must include work plans that meet the following minimum requirements: For every \$6,500 in annual base federal funding, at least one Volunteer Service Year's (VSY's) worth of service must be incorporated in work plans, and must produce:

National Performance Measure outcomes in the Education focus area

*\*Volunteer Service Year (VSY): VSY is a budget term which equals 1044 service hours. The standardized stipend cost per VSY is calculated by multiplying the number of hours served by the current cost per hour for the stipend (1044 hours x \$3.00 per hour).*

### **A.4. Program Authority**

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, ([42 U.S.C. 12501 et seq.](#)) and the Domestic Volunteer Service Act of 1973, as amended ([42 U.S.C. 5011.](#)).

This evaluation is in addition to assessments of the applicant's eligibility and the quality of its application based on the Selection Criteria. Results from this evaluation will inform funding decisions. If AmeriCorps Seniors determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk

may be applied to the award. Additionally, if AmeriCorps Seniors concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

Additionally, AmeriCorps may expand

upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity, business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

### **F.2.d. National Service Criminal History Check Requirements**

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. We encourage grantees to minimize barriers to service without putting their program beneficiaries at genuine risk.

- In general, award recipients and subrecipients must conduct an NSCHC for AmeriCorps members, AmeriCorps Seniors volunteers, and staff funded under, or whose salary is reflected as match on, the award.
- AmeriCorps strongly encourages applicants to review the regulations and additional guidance to fully understand how to comply with the requirements.<sup>4</sup>
- AmeriCorps also strongly encourages funded applicants to utilize the two AmeriCorps-approved vendors to conduct the required NSCHCs.<sup>5</sup>
- Failure to conduct a compliant NSCHC may result in significant disallowed costs.
- The cost of conducting NSCHC is an allowable expense under the award and the individual subject to the NSCHC may not be required to cover the cost without being reimbursed.

An NSCHC consists of a check of the:

1. National Sex Offender Public website through NSOPW.gov (nationwide check);

---

<sup>4</sup> NSCHC regulations and guidance: <https://americorps.gov/grantees-sponsors/history-check>

<sup>5</sup> Two pre-approved NSCHC vendors: <https://americorps.gov/grantees-sponsors/history-check>.

2. State criminal history record repository or agency-designated alternative for the individual's State of residence *and* State of service; and
3. Fingerprint-based check of the FBI criminal history record database through the State criminal history record repository or agency-approved vendor.

All checks must be conducted, reviewed, and an eligibility determination made before the individual begins work or service.

An individual is not eligible to serve or work in a position subject to the NSCHC requirements if:

- the individual refuses to consent to a criminal history check;
- makes a false statement in connection with a criminal history check;
- is registered, or is required to be registered, on a state sex offender registry or the National Sex Offender Registry; or
- has been convicted of murder.

See 45 CFR 2540.200– 2540.207 and National Service Criminal History Check Resources for complete information and FAQs.

#### **F.2e. Official Guidance**

All AmeriCorps Seniors active guidance is available on the agency's Guidance webpage: <https://americorps.gov/grantees-sponsors/history-check>. The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

#### **F.3. Use of Material**

To ensure that materials generated with AmeriCorps Seniors funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps Seniors reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so (2 CFR §200.315).

#### **F.4. Reporting**

Recipients are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Recipients are required to provide Project Progress Reports (PPR) lite and PPR annual and semi-annual financial and narrative progress reports through eGrants, AmeriCorps' web-based grants management system. All recipients must submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

In addition, at the end of the award period, recipients must submit final financial and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 120 days after the end of the project period.

Award recipients will be required to report at <https://www.FSRS.gov> on all subawards over

\$30,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients must have the necessary systems in place to collect and report this information. See [2 CFR Part 170](#) for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies, processes, and practices that provide reasonable assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- The data measures what it intends to measure
- The data reported is complete
- The recipient collects data in a consistent manner
- The recipient takes steps to correct data errors
- The recipient actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps Seniors funding.
