Application Instructions

I. Application Resources

Use these instructions in conjunction with the *Notice of Federal Funding Availability* or *Notice of Federal Funding Opportunity (Notice)*. The *Notice* includes deadlines, eligibility requirements, submission requirements, and other information that changes year-to-year for CNCS grant programs.

Please use the following application instructions if you are a new applicant. If you are submitting a request for continuation funding (typically in years two or three of a three year grant period) you will open your existing application in eGrants, and enter new information in the Continuation Changes field, or as directed by your Program Officer.

If there is any inconsistency between the *Notice* and the Application Instructions, the *Notice* takes precedence over the Application Instructions.

II. Submitting your Application in eGrants

Applicants need to establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting “Don’t have an eGrants account? Create an account.” If you need help establishing a new organization account in eGrants, or a new user account for an existing organization account, contact the National Service Hotline at 800-942-2677.

After you create your eGrants account, begin by selecting “New” under the *Creating an Application* heading on your Home Page. Select “Other” as the *Program Area* and click “Go.” You will then be asked to select the appropriate competition. Choose: **[Competition Name] [YYYY]**. Once you create an application, you will be allowed to edit as needed until you are ready to submit.

Do not use the *New* button again as this will start a brand new application. Once you have initiated an application, it will be listed in the View My Grants/Applications section of the homepage under the status: *Grantee Edit of Application or Report*. If you exit and then return to eGrants and wish to continue entering or editing your application, please open your saved

version by selecting *View My Grants/Applications* in the status *Grantee Edit of Application or Report*.

The Authorized Representative is the person within your organization authorized to accept and commit funds on behalf of the organization.

Under *Project Information* select, "Enter New" and choose a title for the proposed project. It is possible to enter another address for the project, which may or not be the same as that of the Legal Applicant.

To select an individual as the *Project Director*, choose a name from the pull-down menu or add a new contact.

2. Application Info

Areas affected by the project: List only the largest political or municipal entities affected (e.g., counties and cities).

Enter the dates for the **proposed project start and end** dates. Your project period is up to [X] years and must begin no later than [Month, DD, YYYY].

D. Performance Measures

Please enter Focus Areas, Service Categories, and Performance Measures following the prompts on the screens in eGrants.

E. Budget

Please see Budget Instructions in Attachment C.

F. Authorization, Assurances, and Certifications.

Authorize and certify your application in eGrants. eGrants requires that you review and verify your entire application before submitting, by completing the following sections in eGrants:

- Review
- Authorize
- Assurances
- Certifications
- Verify
- Submit

Read the Authorization, Assurances, and Certifications carefully (Attachment A). The person who authorizes the application must be the applicant's Authorized Representative or his/her designee and must have an active eGrants account to sign these documents electronically. An Authorized Representative is the person in your organization authorized to accept and commit funds on behalf of the organization. A copy of the governing body's authorization for this official representative to sign must be on file in the applicant's office.

Be sure to check your entire application to make sure that there are no errors before submitting it. eGrants will also generate a list of errors if there are sections that need to be corrected prior to submission when you verify the application. If someone else is acting in the role of the applicant's Authorized Representative, that person must log into his/her eGrants account to proceed with Authorize and Submit. After signing off on the Authorization, Assurances, and Certifications, his/her name will override any previous signatory that may appear and show on the application as the Authorized Representative.

Note: Anyone within your organization who will be entering information in the application at any point during application preparation and submission in the eGrants system must have their own eGrants account. Individuals may establish an eGrants account by accessing this link: <https://egrants.cns.gov/espan/main/login.jsp> and selecting "Don't have an eGrants account? Create an account."

Attachment A. Certifications and Assurances

Instructions

By signing and submitting this application, as the duly authorized representative of the applicant, you certify that the applicant will comply with the Assurances and Certifications described below.

a) Inability to certify

Your inability to provide the assurances and certifications listed below will not necessarily result in denial of a grant. You must submit an explanation of why you cannot do so. We will consider your explanation in determining whether to enter into this transaction. However, your failure to furnish an explanation will disqualify your application.

b) Erroneous certification or assurance

The assurances and certifications are material representations of fact upon which we rely in determining whether to enter into this transaction. If we later determine that you knowingly submitted an erroneous certification or assurance, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

c) Notice of error in certification or assurance

You must provide immediate written notice to us if at any time you learn that a certification or assurance was erroneous when submitted or has become erroneous because of changed circumstances.

d) Definitions

The terms “covered transaction”, “debarred”, “suspended”, “ineligible”, “lower tier covered transaction”, “participant”, “person”, “primary covered transaction”, “principal”, “proposal”, and “voluntarily excluded” as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. An applicant shall be considered a “prospective primary participant in a covered transaction” as defined in the rules implementing Executive Order 12549. You may contact us for assistance in obtaining a copy of those regulations.

e) Assurance requirement for subgrant agreements

You agree by submitting this proposal that if we approve your application you shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by us.

f) Assurance inclusion in subgrant agreements

You agree by submitting this proposal that you will obtain an assurance from prospective participants in all lower tier covered transactions and in all solicitations for lower tier covered transactions that the participants are not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction.

g) Assurance of subgrant principals

You may rely upon an assurance of a prospective participant in a lower-tier covered transaction that is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless you know that the assurance is erroneous. You may decide the method and frequency by which you determine the eligibility of your principals. You may, but are not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

h) Non-assurance in subgrant agreements

If you knowingly enter into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, we may terminate this transaction for cause or default.

i) Prudent person standard

Nothing contained in the aforementioned may be construed to require establishment of a system of records in order to render in good faith the assurances and certifications required. Your knowledge and information is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

Attachment B: Budget Instructions

Before You Begin: In *eGrants*, the preparation of a detailed budget provides the data that creates the summary budget and the budget narrative. Your detailed budget should provide a full explanation of associated costs including their purpose, justification, and the basis of your calculations. Where appropriate, your calculations should be presented in an equation format, identifying the number of persons involved with the event, the per person/unit cost, and/or the annual salary cost.

Use the Budget Worksheet as a guide as you prepare your budgets.

Section I

- A. Personnel Expenses** – Include the portion of principal staff time attributed directly to the operation of the project. List each staff position and a brief statement of responsibilities for each in the ‘Position/Title’ field. For each position, also include the annual salary, and the percentage of staff time that will apply to the grant.
- B. Personnel Fringe Benefits** – Include costs of benefit(s) for your project staff. You can identify and calculate each benefit or show cost as a percentage of all salaries.
- C. Project Staff Travel** - Describe the purposes for staff travel. Costs allowable are transportation, lodging, subsistence, and other related expenses for local and outside the project area travel.
- D. Equipment** – Equipment is defined as tangible, non-expendable personal property having a useful life of more than one year AND an acquisition cost of \$5,000 (five thousand) or more per unit (including accessories, attachments, and modifications). Include items that do not meet this definition in **E. Supplies** below. Purchases of equipment are limited to 10% of the total grant amount, i.e., the federal share of all budget line items. If applicable, show the unit cost and number of units you are requesting.
- E. Supplies** – Include the funds for the purchase of consumable supplies and materials that does not fit the definition above. You must individually list any single item costing \$1,000 (one thousand) or more.
- F. Contractual and Consultant Services** - You may include costs for consultants related to the project’s operations. Consultants used for evaluation should be included in **H. Evaluation** below. Where applicable, indicate the daily rate for consultants.
- G. Training** – You may include the costs associated with training of staff working directly on the project, especially training that specifically enhances staff project implementation and professional skills.
- H. Evaluation** - Include costs for project evaluation activities, such as use of evaluation consultants, purchase of instrumentation and other costs specifically for this activity. Indicate daily rates of consultants, where applicable.
- I. Other** – These costs may include office space rental, utilities, and telephone and Internet expenses that are specifically used for participants, directly involve project staff, and are not part

of the organization's indirect cost/admin cost. If shared with other projects or activities, you must prorate the costs equitably. List each item and provide a justification in the budget.

J. Indirect Costs

1. Definitions

Administrative costs are general or centralized expenses of overall administration of an organization that receives Corporation funds and does not include particular project costs. For organizations that have an established indirect cost rate for federal awards, administrative costs mean those costs that are included in the organization's indirect cost rate. Such costs are generally identified with the organization's overall operation and are further described in Office of Management and Budget Uniform Guidance at 2 CFR Parts 200. For organizations that do not have an established indirect cost rate for federal awards, administrative costs include:

1. costs are financial, accounting, auditing, contracting or general legal services, except in unusual cases whether they are specifically approved in writing by the Corporation as project costs;
2. costs for internal evaluation, including overall organization's management improvement costs (except for independent and internal evaluations of the project evaluations that are specifically related to creative methods of quality improvement); and
3. costs for general liability insurance that protects the organization(s) responsible for operating a project, other than insurance costs solely attributable to the project.

Administrative costs may also include that portion of salaries and benefits of the project's director and other administrative staff not attributable to the time spent in support of a specific project. The principles that pertain to the allocation and documentation of personnel costs are set out in the OMB cost circulars and regulations referenced above, which are incorporated in the Corporation's regulations at 45 CFR 2541.220(b) and 2543.27.

Administrative costs **do not** include the following allowable expenses directly related to a project (including their operations and objectives), such as:

1. allowable direct charges for AmeriCorps members (if applicable), including living allowances, insurance payments made on behalf of members training and travel;
2. costs for staff (including salary, benefits, training and travel) who recruit, train, place or supervise AmeriCorps members (if applicable) or who develop materials used in such activities, if the purpose is for a specific project objective;
3. costs for independent evaluations and any internal evaluations of the project that are related specifically to creative methods of quality improvement;
4. costs, excluding those already covered in an organization's indirect cost rate, attributable to staff that work in a direct project support, operational, or oversight capacity, including, but not limited to: support staff whose functions directly support project activities; staff who coordinate and facilitate single or multi-site project activities; and staff who review, disseminate and implement Corporation guidance and policies directly relating to a project;
5. space, facility and communications costs that primarily support project operations, excluding those costs that are already covered by an organization's indirect costs rate; and
6. other allowable costs, excluding those costs that are already covered by an organization's indirect cost rate, specifically approved by the Corporation as directly attributable to a project.

2. Calculating Administrative/Indirect Costs

CNCS allows applicants to include administrative (indirect) costs in grant budgets. Based on qualifying factors, applicants have the option of using a federal or state approved indirect cost rate, a 10% de minimus rate of modified total direct costs, or may claim certain administrative costs directly as outlined in 2 CFR 200.413. Applicants who hold a state or federal negotiated indirect cost rate or will be using the 10% de minimus rate must enter that information in the Organization section in eGrants.

- K. Source of Funds.** If applicable, describe the grantee match contribution for Section II by clearly indicating the source(s), the type of contribution (cash/in-kind), the amount (or estimate), and the intended purpose of the match. You may enter this information in any category in the Purpose-Calculation field.
