FULL TEXT OF THE NOTICE

A. PROGRAM DESCRIPTION

A.1. Purpose of Foster Grandparent Program Funding

The mission of AmeriCorps is to improve lives, strengthen communities, and foster civic engagement through service and volunteering. Through AmeriCorps, AmeriCorps Seniors, and the Volunteer Generation Fund, AmeriCorps has helped to engage millions of citizens in meeting community and national challenges through service and volunteer action.

Established in 1965, the AmeriCorps Seniors Foster Grandparent Program (FGP) engages adults age 55 and over to provide loving and experienced tutors and mentors to children and youth with special or exceptional needs, or who would benefit from the one-one-one attention a AmeriCorps Seniors volunteer can provide. AmeriCorps Seniors volunteers serve an average of 20 hours per week in schools, hospitals, drug treatment centers, correctional institutions, and childcare centers. Among other activities, they review schoolwork, reinforce values, teach parenting skills to young parents, and care for premature infants and children with disabilities. AmeriCorps Seniors volunteers often maintain an ongoing, intensive relationship with the children and youth served for a year or longer.

A.2. Funding Priorities

AmeriCorps Seniors priorities for this grant cycle include:

- The AmeriCorps Seniors program is committed, in this grant competition, to focus on programs that actively engage in removing structural racial inequities, advancing racial equality, and increasing opportunity in order to achieve sustainable change in communities. AmeriCorps Seniors encourages grant applications to include work plans that advance justice and equality in areas such as education.
- AmeriCorps Seniors encourages applicants to focus on efforts to help local communities respond to and recover from the impact of the COVID-19 pandemic. Applicants may propose programming in the education focus area to aid communities as they recover from the impact of the COVID-19 pandemic.

- AmeriCorps Seniors prioritizes grant making in the education focus area identified by the National and Community Service Act of 1990, as amended by the Serve America Act. Under this focus area, grants must provide and/or facilitate access to services and resources that contribute to improved educational outcomes for economically disadvantaged people, especially children and for children with special and/or exceptional need. Activities may include providing support and/or facilitating access to services and resources that contribute to school readiness, providing support that improves academic performance, and providing support that improves academic engagement.

To receive priority consideration, applicants must show that the priority area is a significant part of the program focus and intended outcomes and must include a high-quality program design. Proposing programs that receive priority consideration does not guarantee funding.

**In response to the COVID-19 pandemic, flexibilities have been made to facilitate safe volunteer practices. Please note these program flexibilities are temporary and can be rescinded at any time. For more information on AmeriCorps Seniors response to COVID-19, please visit the COVID -19 section on our Manage AmeriCorps Seniors page at : <https://nationalservice.gov/programs/senior-corps/manage-senior-corps-grants>*

Grant applications must propose to serve one or more open geographic service areas listed in Appendix A of this Notice. There is no maximum number of open service areas that can be included in one application.

For example, an applicant could propose to serve only one open geographic service area in their applications (for example Lake County, FL). Or an applicant could propose to serve multiple open geographic service areas in their application (for example Lake County, Duval County, and Brevard County, FL).

A.3. Performance Goals or Expected Outcomes

National Performance Measures

AmeriCorps Seniors expects applicants to use National Performance Measures as part of a comprehensive performance measurement strategy that relies on both performance and evaluation data to learn from their work and make tactical and strategic adjustments to achieve their goals.

Applicants are required to use the specific performance measures outlined in this Notice. For more information, please refer to the National Performance Measures Instructions at <https://www.nationalservice.gov/resources/performance-measurement>. Program-specific evaluation requirements can be found at <https://nationalservice.gov/documents/2015/fgp-appendix-b-performance-measure-instructions>

Applicants must identify education as the primary focus area. Work plans must include at least one service activity in the selected Primary Focus Area. The primary focus area should represent the area in which the applicant aims to make the most impact.

This funding opportunity requires applicants to demonstrate cost-effective practices in achieving performance goals through the services described in the proposed work plans. Applications must include work plans that meet the following minimum requirements: For every \$6,500 in annual base federal funding, at least one Volunteer Service Year's (VSY's) worth of service must be incorporated in work plans, and must produce:

1. National Performance Measure outcomes in the Education focus area; or
2. National Performance Measure outcomes in “Inclusion of people with disabilities” (H15A) work plans for applicants that have historically supported programming in this area (see Appendix B).

**Volunteer Service Year (VSY): VSY is a budget term which equals 1044 service hours. The standardized stipend cost per VSY is calculated by multiplying the number of hours served by the current cost per hour for the stipend (1044 hours x \$3.00 per hour).*

A.4. Program Authority

Awards under this Notice are authorized by the National and Community Service Act of 1990, as amended, (42 U.S.C. 12501 et seq.) and the Domestic Volunteer Service Act of 1973, as amended (42 U.S.C. 5011).

B. FEDERAL AWARD INFORMATION

B.1. Estimated Available Funds

AmeriCorps Seniors anticipates it will be able to award approximately \$5,000,000.00 for FY 2021 AmeriCorps Seniors FGP grant awards. The actual level of funding is subject to the availability of annual appropriations.

B.2. Estimated Award Amount

Award amounts will vary, as determined by the scope of the projects. Awards amounts will be based on the applicant’s ability to address the funding priorities stated above in Section A.2. and the applicant’s ability to clearly address in its application all review criteria as set forth in Section E.1.

All applicants are instructed to identify in their application the proposed service area as defined on Appendix A, the requested Volunteer Service Year (VSY) level, and the proposed federal funding level with the maximum cost per VSY not exceeding \$6,500.00. Applicants may apply for one or more counties. Applicants may apply for any federal funding level within the parameters that the funding level may not exceed \$6,500.00 per VSY.

AmeriCorps Seniors expects to make awards with a minimum federal funding level of \$260,000.00 and 40 VSY. The final award amounts will vary as determined by the scope of the projects.

B.3. Period of Performance

Successful applicants will be issued awards by June 2021.

AmeriCorps Seniors anticipates making three-year grant awards. AmeriCorps Seniors generally makes an initial award for the first year of the period of performance, based on a one-year budget. Continuation awards for subsequent years are not guaranteed; they depend upon availability of appropriations and satisfactory performance.

Continuation funding for years 2 and 3 is not guaranteed and may be dependent upon:

- Satisfactory performance that signals the grantee is on track to achieve its proposed performance measures at the end of the grant;
- Demonstrated capacity to manage the grant;
- Compliance with grant requirements, including terms and conditions, criminal history checks, reporting and securing the required non-federal share; and/or;

- Availability of Congressional appropriations

AmeriCorps Seniors reserves the right to adjust the amount of an award or elect not to continue funding.

B.4. Type of Award

Award recipients will be assigned to an AmeriCorps Seniors Portfolio Manager, who will be responsible for reviewing recipient performance, providing training and technical assistance, and serving as the AmeriCorps Seniors primary point of contact.

The FY 2021 AmeriCorps Seniors FGP grants will be awarded on a cost reimbursement basis.

If an entity applies as an organization sanctioned by a federally recognized tribe, or multiple specific federally recognized tribes, it must submit a sanctioning resolution, adopted by the Tribal Council (or comparable tribal governing body) of each Indian tribe. that corporation is not eligible for an award under this Notice. However, this exclusion will not apply to a corporation which a federal agency has considered for suspension or debarment and has made a determination that suspension or debarment is not necessary to protect the interests of the federal government.

Pursuant to the Lobbying Disclosure Act of 1995, an organization described in the Internal Revenue Code of 1986, 26 U.S.C. 501 (c)(4) that engages in lobbying activities is not eligible to apply for CNCS funding.

D.2. Content and Form of Application Submission

D.2.a. Application Content

Complete applications must include the following elements:

- Standard Form 424 (SF-424) Face Sheet: This is automatically generated when applicants complete the data elements in the eGrants system.
- Narrative Sections:
 - Executive Summary: This is a brief description of the proposed program.
 - Program Design
 - Organizational Capability
 - Cost-Effectiveness & Budget Adequacy
- Standard Form 424A Budget
- Performance Measures
- Authorization, Assurances, and Certifications (<https://egrants.cns.gov/cnsmisc/ECERTS.HTM>, and <https://egrants.cns.gov/cnsmisc/EASSUR.HTM>)

D.2.b. Page Limits

Applications may not exceed **15** double-spaced pages as the pages print out from eGrants. The application sections that count towards the page limit are the:

- SF-424 Face Sheet
- Executive Summary
- Program Design, Organizational Capability, and Cost-Effectiveness & Budget Adequacy narratives.

The application page limit does not include the Budget, Performance Measures, or any required additional documents.

Please note that the length of the application as a word processing document may differ from the length of the document printed out from eGrants. The character limits in eGrants do not align with page limits set in the Notice. **AmeriCorps Seniors strongly encourages applicants to print out the application from the “Review and Submit” tab in eGrants prior to submission in order to confirm that the application does not exceed the page limit.**

AmeriCorps Seniors will not consider the results of any alternative printing methods when determining if an application complies with the page limit. Reviewers will also not consider material that is over the page limit, even if eGrants allows applicants to enter and submit additional text.

D.3. Unique entity identifier and System for Award Management (SAM)

All applicants **must** register with the System for Award Management (SAM) at <https://www.sam.gov/SAM/> and maintain an active SAM registration until the application process is complete. If an applicant is awarded a grant, it must maintain an active SAM registration throughout the life of the award. See the SAM Quick Guide for Grantees at: [https://sam.gov/SAM/transcript/Quick Guide for Grants Registrations.pdf](https://sam.gov/SAM/transcript/Quick%20Guide%20for%20Grants%20Registrations.pdf).

SAM registration must be renewed annually. AmeriCorps Seniors suggests that applicants finalize a new registration or renew an existing one at least three weeks before the application deadline, to allow time to resolve any issues that may arise. **Applicants must use their SAM-registered legal name and address on all grant applications to AmeriCorps Seniors.**

AmeriCorps Seniors will not make awards to entities that do not have a valid SAM registration and DUNS. If an applicant has not fully complied with these requirements by the time AmeriCorps Seniors is ready to make a Federal award, AmeriCorps Seniors may determine that the applicant is not qualified to receive an award and use that determination as a basis for making a Federal award to another applicant.

Applications must include an Employer Identification Number.

Applications must include a DUNS number. Applicants can obtain a DUNS number at no cost by calling the DUNS number request line at (866) 705-5711 or by applying online at the [DUNS Request Service](#). AmeriCorps Seniors recommends registering at least 30 days before the application due date.

The Federal government is implementing Unique Entity Identifiers (UEI) as part of the SAM registration process to eventually replace DUNS numbers. AmeriCorps Seniors may ask applicants to add the UEI to their application as part of the clarification or pre-award process. AmeriCorps Seniors is adding a field to capture the UEI in eGrants. If you already have a UEI and the UEI field is available in eGrants, you can enter it at the time you submit your application.

D.4. Submission Dates and Times

Communication with AmeriCorps Seniors staff, including an applicant's Portfolio Manager, is not a substitute for a written explanation or justification of the extenuating circumstance that caused the delay as outlined above. Applicants are required to continue working in and with the National Service Hotline to submit the application.

Please note: AmeriCorps Seniors will *not* consider an advance request to submit a late application. Please carefully review and follow the guidance in this section and submit your application as soon as possible.

States, local governments, and Indian tribes may use previously approved indirect cost allocation plans. All methods must be applied consistently across all federal awards. Applicants that have a federal negotiated indirect cost rate or that will be using the 10 percent *de minimis* rate must enter that information in the Organization section in eGrants. The instructions for how to enter the organization's indirect cost rate are located here: eGrants Indirect Cost Rate User Instructions. Applicants should not submit documentation addressing the indirect cost rate agreement via email.

Please note: To request a federally negotiated indirect cost rate agreement, when CNCS is the applicable cognizant agency for an organization's indirect costs, the applicant must submit a request to IndirectCostRate@cns.gov. The applicant may also obtain instructions and additional information by contacting the email address above.

E.2. Review and Selection Process

AmeriCorps Seniors will engage Staff Reviewers with relevant knowledge and expertise to assess and provide input on the eligible applications. The review and selection process is intended to produce a diversified set of high-quality programs that represent the priorities and strategic considerations described in this Notice. The determinations made by CNCS AmeriCorps Seniors reviewers may be different from what the applicant self-determined upon submission of its application. The stages of the review and selection process follow:

E.2.a. Initial Application Compliance and Eligibility Review

AmeriCorps Seniors will conduct an initial Compliance and Eligibility Review to determine if an application meets the eligibility requirements published in this Notice and advances to the next stage of the review process.

An application is compliant if the applicant:

- is an eligible organization
- submitted an application by the submission deadline
- submitted an application that complies with the following program-specific requirements:
 - submitted required additional documents by the submission deadline:

- submitted an application for geographic service areas in Appendix A; as only the areas listed in Appendix A are eligible for funding.

Reviewing for eligibility is intended to ensure that only those applications that are eligible for award are further reviewed. However, determinations of eligibility can take place at any point during the application review and selection process. Applicants that are determined to be ineligible will not receive an award.

E.2.b. Application Review

Internal Review

AmeriCorps Seniors Staff Reviewers will assess the applications based on the Program Design, Organizational Capability, and Cost-Effectiveness and Budget Adequacy Selection Criteria. Staff Reviewers will also consider the priorities and strategic considerations detailed in this Notice. AmeriCorps Seniors will recruit and select Staff Reviewers on the basis of demonstrated expertise in AmeriCorps Seniors programming and/or the Focus Areas, as well as experience assessing applications. All Staff Reviewers will be screened for conflicts of interest.

Post-Review Quality Control

After the initial review process is complete, AmeriCorps Seniors staff will review the initial results for fairness and consistency. Some applications may be selected for a Post-Review Quality Control assessment. This additional level of review will be used to ensure fairness and provide assurances that an application was not disadvantaged in the original review.

E.2.c. Applicant Clarification

AmeriCorps Seniors may ask an applicant for clarifying information. AmeriCorps Seniors staff will use this information to make funding recommendations. A request for clarification does not guarantee an award. Applicants may be recommended for funding even if they are not asked for clarifying information. An applicant's failure to respond to a request for clarification adequately and in a timely manner may result in the removal of its application from consideration. AmeriCorps Seniors staff may conduct a site visit inspection as part of the clarification process, as appropriate.

E.2.d. Pre-Award Risk Assessment

AmeriCorps Seniors staff will evaluate the risks to the program posed by each applicant to assess an applicant's ability to manage federal funds. This evaluation is in addition to assessments of the applicant's eligibility and the quality of its application on the basis of the Selection Criteria. Results from this evaluation will inform funding decisions. If AmeriCorps Seniors determines that an award will be made to an applicant with assessed risks, special conditions that correspond to the degree of assessed risk may be applied to the award. Additionally, if AmeriCorps Seniors concludes that the reasons for applicants having poor risk assessment are not likely to be mitigated, those applications may not be selected for funding.

In evaluating risks, AmeriCorps Seniors may consider the following criteria:

Due Diligence:

- federal debt delinquency
- suspension and debarment
- information available through OMB-designated repositories of government-wide eligibility qualification or financial integrity information, such as:
 - Federal Awardee Performance and Integrity Information System (FAPIIS)

- U.S. Treasury Bureau of Fiscal Services
- System for Award Management (SAM)
- “Do Not Pay”
- reports and findings from single audits performed under Uniform Administrative Guidance and findings of any other available audits or investigations
- IRS Tax Form 990
- Oversight.gov

- applicant’s ability to effectively implement statutory, regulatory, or other requirements imposed on award recipients
- meeting matching requirements

- criminal history check compliance. Note that AmeriCorps Seniors is best able to determine compliance with criminal history check requirements for grant recipients using the AmeriCorps Seniors -approved contracted vendors

Other Programmatic Risks:

- publicly available information, including information from the applicant organization's website
- amount of funding requested by the organization

E.2.e. Consideration of Integrity and Performance System Information

Prior to making any award that exceeds the \$250,000, AmeriCorps Seniors is required to review and consider any information about the applicant that is in the designated integrity and performance system accessible through SAM (currently FAPIIS) (See [41 U.S.C. 2313](#)). Additionally, AmeriCorps Seniors may expand upon these requirements and use its discretion to review and consider information about any applicant receiving an award, including those under \$250,000.

Any applicant, at its option, may review information in the designated integrity and performance systems accessible through FAPIIS and comment on any information about itself that a federal awarding agency previously entered and is currently in the designated integrity and performance system accessible through FAPIIS.

AmeriCorps Seniors may consider comments by any applicant, in addition to the other information in the designated integrity and performance system, in making a judgment about the applicant's integrity,

business ethics, and record of performance under federal awards when completing its review of risk posed by the applicant under the Risk Assessment Evaluation section of this Notice.

E.2.f. Selection for Funding

The review and selection process is designed to:

- identify how well eligible applications are aligned with the application review criteria
- build a diversified portfolio based on the following strategic considerations:
 - AmeriCorps Seniors Funding Priorities (See Section A.2. *Funding Priorities*)
 - meaningful representation of
 - geographic diversity
 - rural communities
 - small and medium programs
 - single and multi-state programs
 - faith-based organizations
 - Focus Area

Based on the evaluation of these strategic considerations, applications may be selected for funding over applications with a greater degree of alignment with the review criteria. In selecting applicants to receive awards under this Notice, the Program Director will endeavor to include a diverse portfolio of applications based on staff recommendations and strategic considerations.

AmeriCorps Seniors reserves the right to award applications in an amount other than at the requested level of funding and will document the rationale for doing so.

AmeriCorps Seniors reserves the right to adjust or make changes to the review process, if unforeseen challenges or urgent circumstances make it impossible, impracticable, or inefficient to conduct the review process as planned. Any such adjustments or changes will not affect the selection criteria that will be used to assess applications.

E.3. Feedback to Applicants

Applicants will receive feedback from the Staff Review of their compliant applications. This feedback will be based on the review of the original application and will not reflect information provided during clarification.

F. FEDERAL AWARD ADMINISTRATION INFORMATION

F.1. Federal Award Notices

AmeriCorps Seniors will make awards following the selection announcement. AmeriCorps Seniors anticipates announcing the results of this funding opportunity by mid- April 2021 contingent on the availability of Congressional appropriations. All applicants, successful or not, will be notified of funding decisions via email.

Notification of an award is not an authorization to begin activities. The Notice of Grant Award signed by the Office of Grant Administration is the authorizing document. An awardee may not expend federal funds until the start of the Period of Performance identified on the Notice of Grant Award.

F.2. Administrative and National Policy Requirements

F.2.a. Uniform Guidance

All awards made under this Notice will be subject to the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance), in 2 CFR Parts 200 and 2205.

F.2.b. Requests for Improper Payment Information

AmeriCorps Seniors may request documentation from recipients in order to monitor the award or to comply with other legal requirements, such as the Improper Payments Information Act of 2002, as amended. Failure to make timely responses to these requests may result in award funds being placed on manual hold, reimbursement only status, or other remedies may be applied as appropriate.

F.2.c. AmeriCorps Seniors Terms and Conditions

All awards made under this Notice will be subject to the FY 2021 AmeriCorps General Terms and Conditions, and the FY 2021 AmeriCorps Seniors Program-Specific Terms and Conditions for the particular program. These Terms and Conditions contain detailed, mandatory compliance and reporting requirements. Current versions of the AmeriCorps Seniors General and Program-Specific Terms and Conditions for each of its programs is available at <https://www.nationalservice.gov/resources/terms-and-conditions-cnsc-grants>.

F.2.d. National Service Criminal History Check Requirements

The National Service Criminal History Check (NSCHC) is a specific screening procedure established by law to protect the beneficiaries of national service. The law requires grantees to conduct and document NSCHCs on persons (including award-funded staff, national service participant, or volunteer) receiving a salary, living allowance, stipend, or education award through a program receiving AmeriCorps Seniors funds. This includes staff that receive part of their salary through a subgrant. An individual is ineligible to serve in a position that receives such AmeriCorps Seniors funding if the individual is registered, or required to be registered, as a sex offender or has been convicted of murder. The cost of conducting NSCHCs is an allowable expense under the award.

Grantees should utilize the two vendors AmeriCorps Seniors has engaged to conduct the required NSCHCs. Information regarding use of these two vendors can be found at <https://www.nationalservice.gov/documents/2018/nschc-using-fieldprint-and-truescreen-manual>

Failure to conduct compliant NSCHC may result in significant disallowed costs.

Unless AmeriCorps Seniors has provided a grant recipient with a written exemption or written approval of an alternative search procedure, recipients ***must*** perform the following checks:

All award-funded staff and volunteers must undergo NSCHCs that include:

- A nationwide name-based search of the National Sex Offender Public Website (NSOPW); *and*
- Either
 - A name- or finger-based search of the statewide criminal history registry in the person's state of residence and in the state where the person will serve/work *or*
 - A fingerprint-based FBI criminal history check.

Special Rule for Persons Serving Vulnerable Populations. Award-funded staff, national service participants, and volunteers *with recurring access to vulnerable populations* (i.e., children age 17 or younger, individuals age 60 or older, or individuals with disabilities) must undergo NSCHCs that include:

- A nationwide name-based check of the NSOPW; *and*
- Both

- A name- or fingerprint-based search of the statewide criminal history registry in the person's state of residence and in the state where the person will serve/work; *and*
- A fingerprint-based FBI criminal history check.

See [45 CFR 2540.200– 2540.207](#) and [CNCS Criminal History Check Resources](#) for complete information and FAQs.

F.2e. Official Guidance

All AmeriCorps Seniors active Guidance is available on the agency's Guidance webpage: <https://www.nationalservice.gov/resources/official-guidance>. The contents of these documents do not have the force and effect of law and are not meant to bind the public in any way unless incorporated into a contract or grant agreement. These documents are intended only to provide clarity to the public regarding existing requirements under the law or agency policies.

F.3. Use of Material

To ensure that materials generated with AmeriCorps Seniors funding are available to the public and readily accessible to recipients and non-recipients, AmeriCorps Seniors reserves a royalty-free, nonexclusive, and irrevocable right to obtain, use, modify, reproduce, publish, or disseminate publications and materials produced under the award, including data, and to authorize others to do so ([2 CFR §200.315](#)).

F.4. Reporting

Recipients are required to submit a variety of reports which are due at specific times during the life cycle of an award. All reports must be accurate, complete, and submitted on time.

Recipients are required to provide annual progress reports and semi-annual financial and narrative progress reports through eGrants, AmeriCorps Seniors web-based grants management system. All recipients must submit quarterly financial reports to the U.S. Department of Health and Human Services Payment Management System.

In addition, at the end of the award period, recipients must submit final financial and progress reports that are cumulative over the entire award period and consistent with the close-out requirements. The final reports are due 120 days after the end of the project period.

Award recipients will be required to report at <https://www.FSRS.gov> on all subawards over \$30,000, and may be required to report on executive compensation for the recipient organization and its subrecipients. Recipients must have the necessary systems in place to collect and report this information. See [2 CFR Part 170](#) for more information and to determine how these requirements apply.

Once the grant is awarded, recipients will be expected to have data collection and data management policies, processes, and practices that provide reasonable assurance that they are reporting high quality performance measure data. At a minimum, recipients should have policies, processes, and practices that address the following five aspects of data quality for themselves and for subrecipients (if applicable):

- the data measures what it intends to measure
- the data reported is complete
- the recipient collects data in a consistent manner
- the recipient takes steps to correct data errors
- the recipient actively reviews data for accuracy prior to submission.

Failure to submit accurate, complete, and timely required reports may affect the recipient's ability to secure future AmeriCorps Seniors funding.
